Nationals Send Off

Wednesday, June 12th 7:00 at Studio IV

National Spirit Days

We are patiently waiting for these to be released, we will be doing a studio spirit order as soon as we have themes!!

Parade of Champions

Talent On Parade announces a “Parade of Champions” at each awards. This is where they invite the *top* scoring routines back to recompete at the end of each evening.

Expectations

We know that Nationals is a big commitment, and many squeeze some family vacation time into this trip. Couple things, if your dancer has a day off between competition days, please be cautious of time spent in the heat/sun. As always, your competition time and awards ceremonies are “required”. In addition, we would love for the team to come support any dances/soloists that make it to the Parade of Champions. We will post on our Facebook page if we have someone qualify!

We are excited for this year’s National event. Every year seems to get better! Thank you, dancers, and families, for your continuous support. The joy it brings watching our team grow throughout the year is so rewarding! Let’s go NSOD!!
