

Our 2024/25 season is off to a great start. We have been evaluating levels and making some adjustments as needed. In class, we are working hard on our flexibility, terminology, and getting back into dance basics. We have incorporated strength exercises into our warmup that would be beneficial at home along with stretching! We will begin measuring over the next couple weeks. Costumes are ordered throughout the month of November! Your September-November dance payments include your recital costume fees. If you opt out of EFT, your October payment is due.
